

"DISCONNECT TO RECONNECT"

GENERAL SITE RULES

(Including but not limited to)

If you light a fire there is ZERO tolerance for leaving the fire unattended. Stay with it at all times.

When having a fire outside, flames are to be no more than 1 foot (12") above the top of the rim of the fire pit.

Fire must be soaked & stirred when you are done for the day or the night.

If there is a fire ban on, there will be no outside / open fires.

We follow the "If It's Yellow Let It Mellow, If It's Brown Flush It Down" rule.

Do not urinate outside, please use supplied washhouse's.

Wood is supplied along with chopping blocks. Splitting of wood is only permitted at those locations.

Wood in the sheds is strictly for cabin use only. Wood for the community fire pit is located outside.

Please do not drive on ANY grass, unless instructed to. Please keep your vehicle on the dirt roads.

Glass is **NOT** permitted outside the cabins. Please keep garbage in your cabin and tidy.

Do not put smoke butts on the ground.

When you are done using the facilities we ask that you clean up prior to leaving them.

We are on a water reservoir system please keep showers very short.

Fish Cleaning: Do not clean fish on the dock.

If cleaning fish from the boat please do it away from shore and keep boats clean.

If using the provided fish cleaning shed, please tidy up the area for the next guest.

CHECK IN/OUT:

Check-In @ 3:00pm

Check-Out @ 12:00pm

As we are an affordable family campground we have a "Check-Out as you Checked-In" policy.

Examples: Quick sweep of the floor, wash dishes, clean stove...

We ask that you please tidy up the cabins prior to check out, and we ask that you take all garbage and recycling with you. If you would like to leave your Garbage and or recycling please inquire at the lodge, prior to check out.
