

FAQ & Suggested Packing List

Q: Do you have internet or cell reception?

A: Yes, we do have WiFi access, located in the main lodge. Our seating area is a great place to watch the loons swim while checking your email. As for cell reception, we have none of that on the property, or nearby. If a phone is needed we do have one in the lodge for limited guest use, or WiFi calling may be an option. We also have a Zoleo satellite communication device for emergencies.

Q: How many people can stay in one cabin?

A: We have all new mattresses and covers! Our cabins can sleep 6 people although it is pretty cramped! The cabins have:

- One queen bed
- Two single-bunk beds
- A double futon

Our pricing is based on two adults and children 12 and under.

NEW OFF-ROAD POLICY!

Q: Do you allow snow mobiles/ATVs/dirt bikes?

A: Yes, we do in an effort to bring more fun to the lodge! We ask that you do not ride around the site but take your toys onto the adjacent trails. The Kamloops Snowmobile Association (KSA) has a \$25.00/Day/Sled Charge (cash only) which allows the use of the KSA groomed trail system. Day passes are issued when you check in.

NEW PET POLICY!

Q: Do you allow pets?

A: Yes, we accept friendly well-trained pets. We ask that you pick up after your pet immediately, ensure that your pet is not aggressive and does not impinge on the enjoyment of other campers. We have two dogs on site. A pet fee of \$35 per pet per stay is required.

Q: What should we pack for our stay at the Lodge?

A: Please see the Suggested Packing List.

Q: Can we bring our own boat for our stay at WENDEGO LODGE?

A: Yes, you sure can. The Bring your Own Boat” package includes a launch in and out through our private boat launch. You will also have a dock space ready for you upon your arrival, where you can enjoy easy access to your boat throughout our stay. Please see Rates and Rentals for pricing.

Q: What is it like to travel up to Wendego Lodge in the winter?

A: The ascent up the mountain in the winter is beautiful! When winter hits, the weather can change really quickly. We advise all people traveling up here to be familiar with winter driving conditions at high elevations, and travel prepared with a set of tire chains. More information can be found on our policies, additionally you can contact the lodge for more information.

Q: How many vehicles can we bring?

A: Cabins only allow for one vehicle per stay. Additional vehicles may be brought if pre-arranged.

Q: Do you have any accessible cabins?

A: Cabin 6 has a ramp for ease of access and our area is fairly flat but still rugged. We have been told by industry professionals that a person in a wheelchair or with a walker would be able to navigate to the washrooms and around the site.

Q: Are there goods for sale at the Lodge?

A: Yes, we do have a small convenience store located in the main lodge. We have a rotating stock but we feature such things as pop, chips, chocolate bars, a small selection of fishing supplies, hunting knives, sauces, canned goods etc... Please call to check stock, if needed.

Q: Do the cabins have running water?

A: In the summer the cabins do have cold running water. In winter, jugged water is provided if needed. Please see our water notice, just below. Applies to both summer and winter.

NOTICE

Our drinking water protection regulation states that drinking water from a water supply system shall be disinfected if the water originates from surface water or ground water that, in the opinion of a drinking water officer, is at risk of containing pathogens.

THEREFORE:

We shall notify all users of our water system to boil or otherwise disinfect there water prior to use.

Acceptable Disinfectant Methods:

(A) Boil (at a rapid boil) for at least three (3) minutes.

OR

(B) Add two (2) drops of fresh household bleach per liter of water (Nine (9) drops per gallon), to a clean covered container and let stand for at least 20 minutes before use.

Q: Is there fire wood available?

A: Yes, logged fire wood is available. Splitting is required. Guests must bring their own axe. Splitting of wood is only permitted in areas with a designated chopping block. No chopping wood outside the cabins. If you require split wood please inquire.

Q: Do you have washroom facilities?

A: While there are no washrooms in the cabins, we do have both flush toilets and hot showers all year long. In the summer there is a centrally located wash house (open May/June to Sep/October (pending weather)). All year there flush toilets and hot showers located in the main lodge. Washrooms in main lodge are accessible 24 hours a day.

Q: Do you sell ice?

A: No, we are not able to sell ice at this time; however, this year we will be restarting the ice-harvesting on the lake and will offer ice all year long starting in 2025!

Q: Do you have a cabin that is closest to the wash house?

A: Yes, Cabin #6 is located the closest to the central washhouse with a ramp into the cabin for ease of access.

Q: Do you allow group functions?

A: Yes, we do! We love them! Planning a family reunion, work retreat or fishing derby? Please contact us for ideas, pricing and availability.

Q: Do cabins have their own fire pits?

A: No, we have 1 community fire pit located at the lake shore across the road from Cabin #8.

Q: Do you have laundry facilities?

A: No.

Q: Do the cabins have power?

A: No.

Q: Do you have power to charge devices?

A: Yes, as we do run on solar at the lodge, charging can be done on a limited basis. During the winter months charging can get really limited.
